## **Silent Running™**

Silent Running is a water resistant paint or spray on solution to noise and vibration problems caused by engine noise and water impact against your hull.

Silent Running is water based, non toxic, VOC free and flame retardant.

Available in US Coast Guard Approved Formula

## **THRUFLOW™**

ThruFlow Interlocking Deck Panels are the ideal choice for decks, docks, and walkways. ThruFlow™ is a unique non-slip polymer panel that allows water, debris and sunlight to pass through your walking surface; keeping your walking surface clean, easily maintainable and safe.

# **REDCO™ UHMW**

Redco™ UHMW polyethylene can be easily machined and fabricated to suit a variety of applications that will outlast wood and metals, saving maintenance costs and time; all while improving the appearance of your vessel.

Redco™ UHMW offers high impact strength with low surface friction and outstanding wear and corrosion resistance.

Protect your vessel with Redco™ UHMW transoms, rub rails, skid plates for jet boats, piling protectors and many more....

FDA & USDA Approved

## **REDCO™ POLYCARBONATE PANELS**

Redco™ Polycarbonate Panels provide high impact resistance and weatherability, resulting in a long lasting, safe alternative to glass.

## **MARINE BOARD**

Densetec® Marine Board is a maintenance free, rot free replacement to numerous applications including: seat backs and bases, trim panels, hatch covers, floor panelling and doors, steps and ladder tread as well as decking.

Maintenance Free, Non Rotting and UV Stable

## **Plexus®**

Plexus® is the most effective product available for cleaning, protecting and polishing all kinds of plastic.

The aerosol applicator enables easy application and prevents dripping, leaking, evaporating and coagulating at the tip of the nozzle; just spray on and wipe off!

More than just a cleaner, Plexus® protects plastic more effectively than ordinary cleaners by sealing the plastic with a micro-thin layer to resist debris, oil, yellowing, static and scratches.

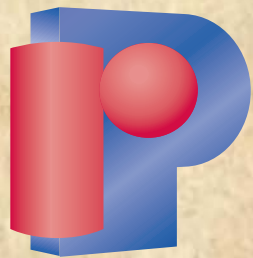

## **WEARLON® Speed Coat - 49**

Wearlon® is a water based, environmentally friendly coating that can be painted or sprayed on. Wearlon® is a non-stick foul release coating that minimizes exterior maintenance and decreases drag. Wearlon® is also a nonconductive coating eliminating concerns of galvanic corrosion on aluminum.

Easy Application, Water Based
