INNOVATIVE SOLUTIONS IN PLASTIC

WEARLON SPEED COAT - 49

Wearlon is a water based, environmentally friendly coating that can be painted or sprayed on. Wearlon is a non-stick foul release coating that minimizes exterior maintenance and decreases drag. Wearlon is non conductive, which eliminates concern of galvanic corrosion on aluminum.

Easy Application, Water Based

SILENT RUNNING

Silent Running is your paint or spray on solution to noise and vibration problems caused by your engine and water impact against your hull. Silent Running is water based, non toxic, VOC free and flame retardant.

US Coast Guard Approved, Water Resistant

DENSETEC™ MARINE BOARD

Densetec™ Marine Board is the maintenance free replacement of wood in numerous applications including seat backs and bases, trim panels, hatch covers and doors, steps and ladder tread and decking.

Maintenance Free, Non Rotting, UV Stable

We will work with you to make certain the most optimal material is used for your application, ensuring your project will be a success.
