

## Redco™ Plastic Extrusions

### Custom for Your Needs

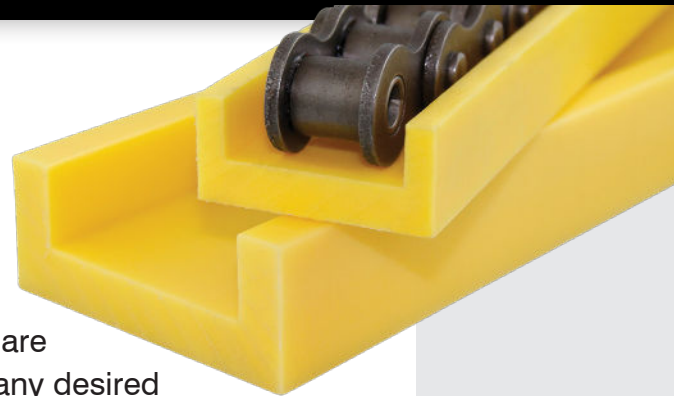

Redwood Plastics and Rubber is proud to announce that we are offering custom plastic extrusions for our customers.

We can supply angles, channels, chain guides, flytes, guide rails and more in a variety of dimensions and sizes. Most items are available from inventory in 10 foot lengths, but we can extrude any desired length on a special order basis.

For more information about our plastic extrusion capabilities, or to request a quote, contact one of our local sales representatives.

### Key Features

- + In-house design and manufacturing teams
- + Can extrude a variety of plastic grades and colours
